CABOT LOCKERS

A bank of self-service lockers are available for short-term daily usage. Each locker includes a power outlet and a USB slot to charge a variety of mobile devices. Lockers are located on the first floor close to the water fountain and rest rooms.

**HOW TO USE LOCKERS**

**TO LOCK**

1. Put items inside and close door.

2. Enter in the keypad: C + 4 digit code + <key symbol>

A flashing red light indicates that the lock is engaged.

**TO UNLOCK**

1. Enter the same code in the keypad: C + 4 digit code + <key symbol>

2. Open door and remove items.

**LOCKER POLICIES**

- Do not store food and drink. (Perishables will be discarded daily.)
- Use at your risk. (Harvard Library does not take responsibility for theft or property damage.)

- Remember your 4-digit code and locker location.

- For short-term, daily use only.

*NOTE: Our security guard empties lockers daily at 9am, and moves any items found to the Lost and Found at the Ask Us! Desk on the lower level.*
